

A word cloud visualization of names generated by AI. The names are arranged in a non-uniform, overlapping manner. The largest and most prominent name is 'James' in a dark purple color. Other large names include 'Wilson' in blue, 'Smith' in light green, and 'John' in teal. Smaller names include 'David' in yellow, 'Doe' in yellow-green, 'Johnson' in green, 'Michael' in light green, and 'Chen' in purple. The background is white.
